

2011 LUCKY THUMB / ELKTON CHAMBER ANTIQUE SNOWMOBILE RACE POINTS STANDINGS

Any and all points discrepancies should be taken care of at the very next race, to prevent any problems or confusion. A racer who only competes in a heat race and is a no show to the feature is scored as a DNS (DID NOT SHOW or START). A racer who advances to the feature, and fails to complete the first lap of the feature is scored as a DNS. All DNS scores receive 0 (zero) points. In the event of a tie for placement at the end of season, placement goes to rider with most wins.

DNF (DID NOT COMPLETE A FULL LAP IN THE FEATURE RACE) = 0 (zero points)

DNS (DID NOT SHOW or START) = 0 (zero points)

DQ (Disqualified) = 0 (zero points)
